

UNITED 577 ESA Urinal Line Renovator

Featuring Earth Smart® Acid Technology

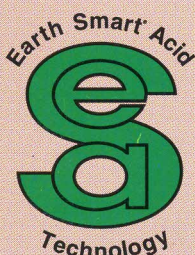

Keeps urinal lines running freely, reduces odors and minimizes clogs.

With its ultra-safe and effective Earth Smart® Acid base, the product works to quickly and safely eliminate the build-up of uric acid salts that cause lines to narrow, slow and sometimes clog.

- Super easy-to-use. Dose urinals during off-peak hours and then let the product do its thing.
- Will not fume or cause any odor when working.
- Deodorizes as it works with pleasant SUNSHINE fragrance.
- Safe on pipes and fixtures...will not etch or corrode.

Features revolutionary Earth Smart® Acid (ESA) Technology:

- Dissolves calcium carbonate, uric salt, lime and scale two to three times faster than phosphoric acid products
- Much milder to steel, aluminum and skin than traditional acids used in similar products.
- Phosphate-free and contains no VOCs.
